Location-Aware Mobile Application Design

Exercises 5/8, 19.4.2013

This week is for working the project tasks. Submit your revised results to the teachers by Friday morning 8:00. Discussion during exercises 10-12. Once task completed, you can pick another task. Each time, keep at most **two tasks** locked for you.

http://cs.uef.fi/pages/franti/lamad/project.html

Results will be evaluated by their quality and demand level.
